

Nursery

Autumn

Me, Glorious Me

Purpose: To develop children's confidence when talking about families and special events

Spring

Polar Animals

Developing an understanding around them. An understanding of hot and cold habitats and the animals that live there.

Summer

Farms

Learning about animals, life cycles and where food comes from. This unit will involve a trip to a farm.

Colours

Exit Point: Nativity Production

Focus on colours and recognition of colours as well as festivals. The children will perform a Nativity production at the end of term.

New Life

Children will be learning about how to take responsibility for animals with live chicks being born in the class. This will be followed by the Easter story and an understanding of Life cycle changes.

Holidays

The children will be learning about different countries and traditions from around the world linked to role play.
