Downloading your child's Tapestry Learning Journal

Dear Parents and Carers,

We hope you have enjoyed using Tapestry this year to share your child's learning journey and celebrate in their many achievements. It has been a delight to read your own posts and contributions too.

Once your child leaves Reception at the end of this year you will no longer have online access to your child's Tapestry journal. Over the next few weeks your child's teachers will download an electronic copy of your child's journal to keep on record in school. You will also be able to download your own electronic copy during this time. You will receive an email notifying you when your child's journal is available to download. You will have seven days from this notification to complete the download of the PDF file. You may choose to print or save this file, containing your child's journal, at home for your own records. Please do not post any photographic images from the journal onto social media.

As part of the Home School Contract it is absolutely essential that you do not post any photographic images from the journal onto social media.

To download your child's journal you will need to log in to Tapestry (www.tapestryjournal.com) via a web browser e.g. Internet explorer/Safari. Click on your name in the top right corner and select the PDF downloads tab.

Friday 30th June will be the last date learning will be added to your child's journal as we will begin the download process after this date.

Please note: once your child's leaves Reception they will be removed from the Tapestry system. You will therefore not be able to retrieve their journal from the database. If you would like to download a copy of your child's journal you must make sure you do this within seven days of receiving the email notification. You will receive notification that your child's journal is ready to download before the end of term so please check you emails frequently.

If you have any queries regarding downloading a copy of your child's learning journal please speak to your child's teacher.

Thank you for taking part with Tapestry this year, we hope it has helped you engage with your child's learning in school.

The Reception Team
