

Governor Profile – Matt Zunde-Baker

I am the Governor you will often see about school as I travel - due to my Multiple Sclerosis - on my mobility scooter. Due to my background in education as a former teacher of History in a High School, I was elected as a Foundation Governor by the Parochial Council of All Saints Church.

I am married and have two daughters, both of whom have attended All Saints. Being a governor allows me to be involved in the school in a number of ways such as serving on various committees and working parties. I am a member of a working party which is looking at best practice for governors and serve on the recently formed Standards and Attainment Committee and Schools Community Committee. I am also a Link Governor for Computing and Literacy.

On a personal note I was born in Cheshire. After completing education at High School and Sixth Form College, I went on to complete different courses at different universities. I have a BA (Hons) in History, a MA in Russian and East European Studies and a Post Graduate Certification in Education for me to teach History. Unfortunately, I had to retire from teaching on medical grounds.
