Monday 11th December 2017

Dear Parents

As you may be aware, in the past our children have had the opportunity to take part in a cycling proficiency course, Bikeability, during their time in Year 6. However, this year we have arranged for this training to take place in Year 5. The main reason for this is the limited availability of places on the course and the larger numbers of students involved, now that our school has two classes per year group.

This course will involve training both on and off site with the children learning the skills needed to keep themselves safe on the roads. Those children involved will complete a 5 day course during either the morning or afternoon. These courses will take place on either of the following weeks: Monday 15th January, Monday 29th January or Tuesday 17th April 2018 (Monday 16th is an inset day).

Please note that participation on this course is limited as the provider is unable to offer places for every child in the year group. If you would like your child to take part, please complete the slip below and hand it back to Mr Musson by Friday 15th December. Places will be allocated on a first come, first served basis. Children who take part will need to provide a roadworthy bike and an approved cycling helmet.

This will be a great opportunity for those involved to learn the vital skills necessary to keep themselves safe on the road and I am sure they will thoroughly enjoy it.

Yours sincerely
