Dear Parents and Carers,

Breck's Story - Thursday 20 April 2017 - 7.00pm - 8.00pm

On Thursday 20 April, we will be holding an information evening for parents and carers about protecting children online. Guest speaker, Lorin LaFave, will be talking about the experiences of her son Breck and will be sharing ways that we can protect our children.

Breck was a student at St. Bede's School in Redhill. He enjoyed playing computer games online with his friends, as many children do. However, Breck started talking to people he did not know and eventually he was killed by a boy he met online. This case illustrates how these types of events can happen anywhere, to any child and it could happen in our school community.

Lorin will be able to offer useful advice which you can implement into daily life, so please come and join us on this evening. It will be relevant to all parents in our school. If you have friends who may also be interested, please do bring them along.

Please complete the slip below indicating how many places you would like.

Yours sincerely,

Mrs Emma Hart Dyke
Head teacher
