Gardening Club

Dear Parents

Gardening Club recommences 22nd September for the new school year! This club takes place on Friday lunchtimes after children have finished eating and is for those in Years 3, 4 and 5. The children may get a little dirty and will need wellies/ old trainers as well as a waterproof. Gloves are kindly provided by the PTA. Gardening Club takes place whatever the weather although if it's raining heavily the children will do indoor activities instead of being out on the plot.

We are able to accommodate 10 children each half term and names will be chosen randomly per year group.

At Gardening Club we do lots of traditional gardening such as planting, harvesting, sowing, digging, and weeding. We have grown potatoes, onions, beetroot, carrots, garlic, lettuce, and runner beans, some of which we enjoyed marketing and selling at the recent School Summer Fair. In addition we've planted bulbs and flowers to enhance the outdoor environment of the school. Other activities have included building womerries, making bird feeders, creating art pictures from outdoor materials and treasure hunts.

There is no charge for Gardening Club and we are very grateful for your donations of vouchers from the Woodcote Green Voucher Scheme which fund the activities we do and the plants you see around the school.

If your child is interested in taking part please complete the form below and return to Mrs Springate (Hazel Class) by Friday 16th September.

With thanks

Mrs Springate

.....

Lunchtime Gardening Club (please return to Mrs Springate by Friday 16th September)

My child .....(name and year group)

would like to take part in Gardening Club.
