Relationships and Sex Education at All Saints Carshalton

Dear Parents and Carers,

As part of our preparation to comply with new statutory guidance for delivering Relationships and Sex Education at All Saints Carshalton, we have decided to continue to follow a comprehensive curriculum called Jigsaw. This uses a whole school developmental approach which is carefully devised. Each Year new areas of the subject are introduced in a sensitive and careful manner. This curriculum is delivered across the school during PSHE lessons during the second half of the summer term. Attached is an explanation of what is covered year on year.

More details of the government proposals can be found in the following link;

If you would like to learn more about the curriculum or ask any questions please contact Mrs Hart Dyke or Mr Marston through the school office.
