### Spelling Home Learning

Dear Parents/Carers,

We are always trying to improve our systems in school and following staff discussion, we are making some changes to the way we set spelling home learning at All Saints.

During the week beginning, Monday 30 January, your child will receive a sheet with their spelling words for the week. However, they will not be expected to complete the 'Look, Say, Cover, Write and Check' exercise. Instead there are two lists of activities for the children to choose an exercise from.

Every child must complete one task from List One; this is a written activity to be completed on the sheet that is sent home. We also ask that the children also complete a task from List Two which is a practical activity. Please can you write the number of the activity that your child has chosen on the home learning sheet and sign to say that it has been completed. You and your child can choose which activity is completed each week.

The lists of activities are attached to this letter. We are hoping that by making the tasks more creative and by giving the children greater input into how they learn their spellings, the level of spelling knowledge will be raised across the school.

Thank you in advance for your support with this new venture. Should you have any questions please talk to your child's class teacher or come and speak to me direct.

Yours sincerely,

Mrs V Williams  
English Leader
