Dear Parents/Carers,

Gift Aid 2017/2018 Parents Annual Voluntary Maintenance Contributions

I am writing to inform you that as we are now an Academy, there is a change in the way the Governors will be using your Annual Voluntary Maintenance Contributions.

In my previous letter, the Annual Voluntary Contributions were needed to pay 10% of the costs for capital building projects. Now that we are an Academy we are no longer asked to contribute towards this cost.

However, we are still asking you as parents to kindly continue with the Annual Voluntary Contributions. The school is experiencing tighter budget restraints and there will be more to come when the new National Funding Formula is introduced next year. The School Fund will be used to continue to develop and enhance your children's learning in a number of ways. We want to ensure the building remains a bright and welcoming environment. Also that children have the opportunity to continue using various software within the school e.g. Maths, Phonics and English software. There is also a rolling programme of updating technology as you know we have invested heavily in Chrome books and iPads in recent years. Furthermore we can continue our programme of updating the technology in the classroom by implementing Clevertouch Screens on a rolling programme. We can also continue to have the highest standard of health and safety as we plan to purchase a new and more industrial sized 'Billy Goat' machine to help Mr Mendat combat the never ending fall of leaves. So, as you can see your contributions to our School Fund are extremely important for your child's education at All Saints Carshalton.

If you have not already done so, please complete, sign and return the Gift Aid Form to the school office. This was sent out to you in September. Payment for School Fund is still payable via ParentPay. You will see that a payment item has been set up on your eldest child's ParentPay account and the cost for this year's contribution is detailed on the attached form and remains the same as last year.

The Governors and staff are very proud of the children in our school. Thank you for your continued support.

Yours sincerely,

Helen Smith
Chair of Governors
