Skylarks and Wrens Classes September 2018

Dear Parents,

One of the questions often asked of me as we now have a cohort of 60 children going through the school is whether we would ever mix the classes. My response was that this would remain an option open to us if we believed that it would be of benefit to the children.

Having carefully considered this as a possibility and in consultation with Mrs Williams and Miss Blake, we have come to the decision that we will mix the two Year 2 classes before they move into the juniors in September as this the most logical time for a change to take place.

During this year, the children have experienced many occasions when they have been mixed and have worked with children from the parallel class. This has been extremely beneficial for the children and has worked very well. A particular example was the educational visit to Littlehampton.

I have liaised with Mrs Williams and Miss Blake, who know the children best, regarding mixing the two classes to their benefit and class lists will be sent out to you next week.

I ask that you respect the decisions made as they have not have been made lightly and support the school and your children while they settle into their new classes in September.

Yours sincerely,

Mrs Emma Hart Dyke
Headteacher
