Year 5 Astrodome Experience

Monday 13 November 2017

Dear Parents/Carers

As you are all aware, the children have spent this half term looking at Space. To end the topic we have organised a visit to the school by an Astrodome. This will take place on Monday 13 November 2017. When inside, they will be guided around our solar system by Kent based astronomer Peter J. Golding, a Fellow of the Royal Astronomical Society. I am sure this will be a fantastic way to end our topic and the children will learn a great deal.

Under the terms of the 1988 Education Reform Act, we are unable to charge for educational visits which take place in school hours and can only ask for voluntary contributions. No funds are available to pay for a child whose parents are unwilling or unable to make the contribution, but no child will be excluded from this event on such grounds. However, if insufficient contributions are received to cover the cost of this activity we will not be able to go ahead. Assuming that all parents are willing to contribute, the cost per pupil will be £3.50 payable via ParentPay. Please make payment by Thursday 9 November 2017. If you have any difficulties in affording this amount please make an appointment to see Mrs Hart Dyke privately.

Thank you for your continued support.

Kind regards

Mr Musson
