Maths Home Learning

Dear Parents/Carers,

From after Christmas Key Stage 1 are going to start maths home learning. This will take the form of a grid of activities that you can complete each week over the whole of the half term. Included in this letter is an example grid which we would like you to try a few of over the next couple of weeks and let us know your feedback on what has gone well and what your child has enjoyed or not enjoyed. Thank you for your support in advance.

Year 1 - Target - To recall number bonds to 10

Make bonds out of leaves in the garden or park	Write bonds in bubbles in the bath	Number tennis - a grown up says one number and you say back the other number to make the bond
Draw a picture that shows your bonds	Show your number bonds in lego/blocks	Make your number bonds using the vegetables on your dinner plate
Sing your number bonds	Play 'Hit the Button' online www.topmarks.co.uk/maths-games/hit-the-button	Make a jigsaw out of paper or card to show the bonds

Year 2 - Target - To make totals of money and find change

Give your child a selection of coins to count	How many ways can you find to make £1	Go to the shops and buy something small where you need to sort out the correct coins
Play shops at home - make totals and find change	Get an adult to give clues to a coin or note for you to guess the value	Find the total of a tin of beans, a 1kg bag of pasta and a bunch of bananas
Make your own money board game	Create coin rubbings to make different totals	Play a money maths game online www.topmarks.co.uk/maths-games/5-7-years/money
