Dear Parents and Carers,

It is with regret that I feel the need to write again about the very dangerous driving and parking that I have witnessed and been informed about. This morning a parent was nearly knocked down by another parent not looking when manoeuvring their car. Other parents are also continuing to park illegally across our double gates, on double yellow lines and up on the kerb. In addition some parents are trying to make a 'u' turn outside the school gates!

We are regularly informing the council and apologising to our neighbours, but this problem could easily be resolved if a few of you adhered to the law and looked out for the safety of our children and their parents. I am most concerned that sooner or later someone is going to be seriously hurt or even killed.

We all have busy lives, but most of us manage to plan our journey to school so that we are not rushing to the gate.

Below, you will see the latest three photographs that I have been sent.

As a New Year resolution, please could every member of our school community ensure that we drive and park safely in the morning and at pick up time, for the good of the children and parents in our school?

I would like to thank the parents who are vigilant and let us know or send in photographs when they have seen dangerous and illegal parking.

Thank you for reading this letter.

Have a very happy, healthy and safe Christmas.

Yours sincerely,

Mrs Emma Hart Dyke
