Living and Growing Education in Years 5 and 6

Dear Parents,

As part of our Living and Growing Education Programme, we have made the following arrangements for this year. Our School Nurse, Emma Webster, will lead the session for Year 6. Mr Musson and Miss Piggott will lead the session for Year 5.

Tuesday 20th June 2017 - 3:40pm - 4:30pm (in Year 6 classroom)

This will be an opportunity for parents to view the DVD that is planned for Year 5 together with the two DVDs planned for Year 6. Each lasts around twenty minutes. Year 5 parents are welcome to view all three programmes if they wish, thus saving the need to attend the viewing next year.

We are aware Year 6 will be away on School Journey, which may help with childcare if you come to view on this day. If you are unable to attend this session, please speak to Mr Musson as he is able to lend you a copy of the DVD for one night only and for your year group only.

Tuesday 11th July 2017 - 1:45pm - 2:45pm (Year 6)

The whole class will view the Boy/Girl Talk DVDs relating to the development of secure relationships. This will be followed by separate boy and girl discussion groups with Nurse Webster.

During this week, Year 5 will view the Living and Growing DVD which covers the physical changes related to puberty. This will be followed by whole class teaching as well as separate boy and girl discussion groups with either Mr Musson or Miss Piggott for more factual discussion.

If you wish for your child to be excluded from the above education, please contact their class teacher directly.

Kindly complete the attached slip below and return by Tuesday 13th June 2017.

Yours sincerely,

Mr Musson
