

## Applying For a Secondary School Place

All parents and carers who wish their child to attend a Secondary school must make an application through their home Local Authority by 31 October 2017.

Applications can be made online from 1 September 2017, and further information about how to do this will be sent to you at the start of the autumn term.

This leaflet gives you information on key dates, what you need to do to prepare, and some of the events coming up.

## Open Evenings

During the summer term, some schools start to hold their open evenings. These are a unique opportunity to see the school buildings, facilities and staff, and to hear from the head teachers about each school, its achievements, and plans for the future.

You are encouraged to attend as many open evenings as possible, and to take your child to the events.

It is important that you also consider schools which are located outside Sutton, particularly if you live close to a borough boundary.

The following table gives the dates of open evenings for the Sutton schools. Dates of

open evenings for schools outside Sutton are available from individual school websites.

## Selection Tests and Aptitude Assessments

Some schools will require your child to sit a test or be assessed for all or some of their places. These tests or assessments take place in the autumn term; results are issued

before the closing date for applications so that you know if your child is eligible for consideration and the school can be named on your application.

Registration is normally done through the school website or a supplementary form available directly from the school. The table below gives the dates by which you must register for these tests. If you are considering schools outside of Sutton, you should visit their websites or telephone them to obtain further details:

School	Assessment Type	Registration Deadline
Carshalton High School for Girls	Music or Sport	29 September 2017
Glenthorne High School	Performing arts workshop	29 September 2017
	Banding test (All applicants)	31 October 2017
Greenshaw High School	Eligibility test	18 August 2017
Nonsuch High School for Girls	Eligibility tests	18 August 2017
Sutton Grammar School	Eligibility tests	18 August 2017
Wallington County Grammar School	Eligibility tests	18 August 2017
Wallington High School for Girls	Eligibility tests	18 August 2017
Wilson's School	Eligibility tests	18 August 2017

Following registration, invitations to test or assessments will be issued by the schools. Greenshaw, Sutton Grammar, Wallington County Grammar, Wallington High School for Girls, Nonsuch High School for Girls and Wilson's School run a shared selective

eligibility test. To register, go to any one of these schools' websites. **You only need to register your child once.**

Success in the selective eligibility test means:

- Wallington County Grammar School & Greenshaw High School – eligible to be considered for an ability place.
- Sutton Grammar School, Wallington High School for Girls, Nonsuch High School for Girls and Wilson's School – eligible to sit second stage entrance examinations at the individual schools.

Success in tests for any of these schools does not guarantee an offer of a place.

## Supplementary Forms

Some other schools which do not have selective test arrangements may also ask for a supplementary form to be completed. For example, this will be the case for faith designated schools which need a reference from a parish priest, but this may also apply for other schools.

You should contact the schools to see if this will be necessary. In Sutton, the only other schools which require a supplementary form or online registration form are St Philomena's Catholic High School for Girls, The John Fisher School, Carshalton High School for Girls (Music or Sport), and Glenthorne High School (Performing Arts & Banding).
