Issues

Current Issues

Category	Date identified	Details	How identified	Solutions	Documents
Road Safety	MARCH 2006	There is no pedestrian phase in the traffic lights at the junction of Talbot Road and Park Road	Parents have raised concern and governors monitored the situation to find out how serious the issue was.	To introduce a pedestrian phase into the traffic light system.	
Road Safety	SEPTEMBER2010	No pedestrian light phase in traffic light system at junction of Park Lane and Ruskin Road	parent comments.	proposal to be sent to LB Sutton, as part of expansion planning documents.	
Road Safety	MAY 2012	Still no pedestrian phase in the traffic lights at the junction of Ruskin Road and Park Lane	It has been raised by Governors and Councillor Whitehead has raised it at the Clockhouse Area Meeting. She has kept the governors informed of progress regarding this matter. It has been discussed as a matter arising at Governing Body Meetings in 2012 and 2013	To install pedestrian phasing. This will encourage parents who live on the Wallington side of Park Lane to walk to school as there will be a safe place to cross	

Parents	APRIL 2013	With the expansion of the school there is a need to keep the importance of sustainable travel to school as a high priority	Governors, school knowledge	The chair of goverors to write to parents reminding them of the importance of sustainable travel and potential congestion around the school as it expands. The CoG to write to local residents to assure them that the school is encouraging its community to use sustainable forms of travel where possible

Issues

Resolved Issues

Category	Date resolved	Details	How identified	Action Taken	Docume
Road Safety	JULY 2011	Service vehicles reversing out onto pavement in Rotherfield Road	school knowledge	shop owners were notified by a letter from school children	
Road Safety	JULY 2011	there are high kerbs located outside the school entrances	parent and school knowledge	This has now been resolved	
Road Safety	JULY 2011	Dangerous crossings in Ruskin Road due to speed of cars and temporary refuge islands	parents and school knowledge	temporary refuge has been replaced by a permanent refuge	
Road Safety	JULY 2011	Visibility due to parked cars in Ruskin Road	school knowledge	The traffic calming measures have improved this	
Road Safety	JULY 2011	Speed of cars approaching the traffic light on Ruskin Road	school knowledge and parental advice	the traffic calming measures have improved this	
Cycling	MAY 2013	Need for a cycle/scooter rack at the main entrance to the school for visitors and children attending clubs after school.	school knowledge	Rack installed and being used by visitors, parents and children attending after school clubs.	
Cycling	MAY 2013	Need for a scooter/cycle rack outside the Nursery to encourage and enable Nursery children to scooter/cycle to school and park their scooters/cycles safely	school knowledge	A rack has been installed outside the Nursery. This has encouraged them to bring their scooters/ cycles and they have easy access parking	
Cycling	OCTOBER 2011	not enough cycle storage allowed, and siting of existing storage is not ideal	school knowledge	new shelter has been installed, as well as a scooter rack.	

Parents	MARCH 2013	Parents still parking on the zigzags and emergency access in Talbot Road, but a lot better than before	school knowledge	Parents were reminded not to park on the zig zags in Newsletters. Photographs were taken and parents named and shamed. Borough camera car was called and PCSOs were visible at pick up times. The head teacher was visible at drop off times.	
Parents	MARCH 2013	parents parking across neighbours' driveways	local resident complaints	Parents' cars registration numbers and photographs were put into the Newsletters. Neighbours are given copies of our newsletters so they are aware of our actions. Reminders are sent out regularly of sensible places to park.	
Personal Safety	SEPTEMBER 2012	there is a building site next to the school, and there is concern that the works traffic from the site may cause issues	school knowledge	new houses have now been built and infrastructure in place, such as pavements, mean a safer local environment	
Personal Safety	JULY 2011	parents and children walk through the car park - partly due to unclear entrances	school knowledge	fencing and direction signs put up advising where to walk

PT2. Work w/Members/Mayor/MPs*	Governors		NOVEMBER 2012	The governing body have raised the problem at the junction of Ruskin Road and Park Lane and no pedestrian phasing which deters parents from walking to school from the Wallington side of Park Lane at the school expansion planning meeting. The Clockhouse Committee has discussed this matter at their meetings and consultation has taken place with local residents. It is anticipated that pedestrian phasing will be installed into the light system during the summer 2013.	● 2012-09-18 All Saints
PT5. Work w/local charities*	Charity Group		APRIL 2013	The Diamond Riding Centre has been one of our chosen charities and the school has raised money to support the charity. e.g Guess the number of Eggs competition	
PT7. Other partnership	Mrs. Briant	Continue sporting links with other primary and secondary schools, so that their facilities can be used for inter-school tournaments	MAY 2013	We have been very successful, winning many trophies in Athletics trophies and Cross Country medals.	
PT7. Other partnership	Emma Hart Dyke		JULY 2012	The children in Year 6 took part in the Olympic torch relay across the borough in July 2012. We received our torch from Stanley Park Juniors ran from school to hand our torch on to St Mary's Juniors.

Accreditation Criteria

Survey

Please note that to be accredited your school needs to have a 90% response rate from the pupils. If there is good reason why your school has not been able to achieve this please state your reasons in **Additional information**.

Modal shift away from the car must be achieved within the last three years for the **Higher level**.

Modal shift away from the car of at least 6% within the last three years is required for **Outstanding level**. Alternatively 90% must travel by non-car modes.

Consultation

Note: all consultation is valid for 3 years apart from the hands up surveys, which need to be carried out yearly. Only consultations that have been completed can be counted towards accreditation.

- **Sustainable level** - Hands up surveys for pupils and staff only
 - **Higher level** - Completed categories HS1 - HS6
 - **Outstanding level** - Completed all categories
-

Initiatives

Note: initiatives carried out in the previous academic year count towards **sustainable** level, the last 2 years for **higher** and 3 years for **outstanding**. Only initiatives that have been completed are valid.

Sustainable accreditation standard requirements:

10 different initiatives, from Walking, Cycling and Road Safety, Smarter Driving and Public Transport
6 different initiatives in total; at least 2 from Promotion, 3 from Curriculum and 1 from Partnerships or Funding
No evidence required

Higher accreditation standard requirements:

20 different initiatives, from Walking, Cycling and Road Safety, Smarter Driving and Public Transport
10 different initiatives in total with a minimum of 4 from Promotion, 4 from Curriculum and 2 from Partnerships or Funding
Provide a brief summary of work done and upload evidence for each initiative, such as a photo, letter, e-mail, poster or results that show the activity was done.

Outstanding accreditation standard requirements:

25 different initiatives in total, with a minimum of 15 from Walking, Cycling and Road Safety and the remaining from Smarter Driving and Public Transport
15 different initiatives from Promotion, Curriculum, Partnerships and Funding, with essential criteria highlighted by an asterisk (*) Upload evidence for each initiative.
Upload evidence for each initiative.

Additionally, you must demonstrate an outstanding level of participation in Walking/Scooting, Cycling, Road Safety, Smarter Driving or Public Transport. Provide as much information as possible to explain how your school has gone above and beyond in one of the travel modes and displayed an innovative and creative approach with excellent results. Go to the **STAR** tab at the top of the page choose the **Category**, type in the requested information and then upload further evidence.
