

All Saints Carshalton

Travel Policy

Created by All Saints WOW Ambassador Adam Cady and School Council Representative Sam De Ritter.

We are a responsible, happy, eco-friendly school!

What we do:

- Cycling proficiency lessons help teach our older pupils how to cycle safely on the road.
- Wow badges reward students who walk twice a week.
- Every year we take part in Walk to School week.
- We have inspiring visits from Transport for London.
- We learn how to cross roads safely from the Nursery upwards.
- We have bike and scooter racks inside our school grounds.
- We always walk, cycle or scoot when we can.
- If a student lives too far away to walk we encourage park and stride. Park and stride is where you park your car at least 5 minutes away from school and then walk into school from there.
- We provide a school travel leaflet showing public transport links and reminding our school community of the benefits of active travel.
- We promote safe and active travel as much as possible by using our notice board, newsletter and website.
- Local school trips are made by public transport where possible, or on foot if the destination is close by.
- We let all new parents / carers know that we are an active travel school before their child starts at our school.

Why we encourage active travel for all our school community:

- We want to reduce our carbon footprint by walking and cycling.
- There are many animals at stake, because of global warming. Polar bears live in a rapidly melting ice wilderness. If it melts where will they go?
- Walking helps keep our local air clean, and our streets free from congestion.
- Walking is less stressful than sitting in a noisy, slow traffic jam.
- It helps us maintain friendly relationships with our neighbours.
- We love walking to school because it helps to keep us fit and healthy!

**Save the world, be healthy and happy
.....walk to school!!!!!!!!!!**
