

Governor Profile – William Binns

I am a committed parent of the school with twin boys in the juniors. I have enjoyed the opportunity as a parent to be involved in the classroom, listening to readers and supporting children in diverse activities. I continue to enjoy the opportunity to further serve the school and each child as a governor. I sit on the governing body as an elected parent governor.

Having benefitted from and enjoyed a Christian school education I value the ethos of the school. I worship at The Good Shepherd Church, Carshalton.

As a Chartered Accountant working in audit, I am comfortable dealing with financial and oversight matters. I sit on the Finance, Personnel & Premises Committee.
