

Year 6 Textile Club

8th January 2018

Dear _____

Last September, you expressed an interest in joining Textile Club. I am delighted to tell you that your turn has come.

Owing to a change in my teaching timetable, Textile Club will move from Tuesday to Friday lunchtimes, and will take place between 12:30 and 1:15. Arrangements have been made for you to go straight to lunch once you have been dismissed from class at 12:15. Please wait for me outside the spare Year 6 classroom at 12:30 on Friday 12th January.

If you have a job to do in school at lunchtime on Fridays, please arrange to swap with another class member.

In Textile Club, we begin by investigating Colour Theory, and put theory into practice by making a needle-case to keep. You will learn basic sewing skills and simple embroidery stitches as we go along. Once the needle-cases are finished, you will use your new skills to sew a felt bird decoration. We will then choose the next project together.

There is no charge for the club, but a contribution of £1 per child towards the cost of materials is requested, please.

I look forward to working with you.

Teacher

.....

Dear Mrs Bangs,

My child would like to join Textile Club. I understand that scissors, pins, needles and other tools with functional sharp points will be used. I enclose £1 towards the cost of materials.

Child's name: _____ Parent/Guardian _____
