## FEBRUARY 18 SPORTS NEWS

---

### **TAG RUGBY**

Our third round of League fixtures took place at Cheam Park Farm on Friday 2<sup>nd</sup> February. We had two matches. Although they lost both matches the team showed great resilience. They came from 6-1 behind in the first match to pull it back to a very exciting 6-6, only for Cheam Park Farm to score a try in extra time! The second match ended 11-4 to a very strong Cheam Common but the team should be praised for their hardworking attitude and good teamwork.

### **FOOTBALL**

On Tuesday 6<sup>th</sup> February we took part in the Premier League Primary Stars Tournament. This was organised by Crystal Palace and was held at Carshalton Boys. We played five matches, drawing three 0-0 and losing two 1-0. Great credit goes to all the boys who took part as they were all year 5. They played really well with a fantastic attitude. They only let in two goals over five matches and were playing against mainly year 6 children!

# PANATHLON

On Wednesday 7<sup>th</sup> February ten children from year 6 took part in the first borough Panathlon Tournament at Carshalton Boys. This was a fantastic event where the children took part in different challenges including Boccia, Curling, Table Cricket, Football Dribbling, Parachute Popcorn, Precision Beanbag and Basketball. Eight schools took part and had great fun. Our children did extremely well and came in 2<sup>nd</sup> place winning silver medals.

This also qualified them to take part in the West London Finals which were held in Ealing on Tuesday 27<sup>th</sup> February.

This was another brilliant event with eight schools from across London taking part. The children did exceptionally well and had great fun. This time they won Gold medals and will now be taking part in the Finals at the London Youth Games in the summer!

# **NETBALL**

We played Abbey Primary on Wednesday 7th February. Abbey had a very strong A team and despite a great effort from the girls we lost 5-1. The B team had a fantastic match and won 4-0. A special mention should go to both Molly Cadle and Lauryn Coppin who played amazingly as Goal Defence and Goal Shooter.

Several matches at the end of the month were all unfortunately cancelled due to the bad weather & snow! Hopefully these will all be rearranged in future months.
