Email: office@allsaintscarshalton.sutton.sch.uk Website: www.allsaintscarshalton.sutton.sch.uk

Dear Parents

Welcome to the February Newsletter.

Young Voices at the O2

On Thursday 19 January, most of our junior choir joined many other school choirs across London to sing in a concert at the O2 arena. It was a wonderful occasion and an experience I am sure they will never forget. My thanks to Ms Clancy for all her hard work in encouraging and coaching the choir and to Mr Musson, Mrs Ewing and Mrs Grace for accompanying and supporting the children on the day.

Candlemas - Thursday 2 February

The children from Year 1 to Year 6 attended Candlemas at All Saints. Thank you to the parents who joined us. I am sure you will agree that the children sang beautifully and filled the church with their lovely voices.

Swimming for Year 5 and 6

Swimming for Year 5 and 6, will take place next half term. Their first lesson is on the Monday 20 February straight after half-term. Their last lesson will be on Monday 20 March 2017, which is also the Sponsored Swim for Year 5 and 6. A letter containing all the details will be sent home after half term.

Active Kids

We are collecting Active Kids Vouchers from Sainsbury's once again. The box for the vouchers can be found in the office. We will be collecting the vouchers until the end of June.

Top of the Form

Members of our Top of the Form team this year include: Noah, Caleb, Florence and Zachary. Alice is our reserve. Having had a bye in the first round, the team were up against against Collingwood School at home yesterday. Sadly, after a closely fought contest, Collingwood came out as the winners. Well done to the team for putting up a stiff opposition.

Meet our Governors

'My name is Marion Williams and I am the most recently appointed governor. I am the current PCC Secretary and early last year retired from working at Carshalton & Kingston Colleges although, like many women of my age, I have had a portfolio of jobs including book-keeping and desktop publishing to fit round raising a family. My most recent educational experience is in EAL/ESOL and the acquisition of language, and my absolute passion is English in all its diverse and creative forms. Hence, I am also one of the governors with a curriculum link with English. I am hoping to help with class reading and learn more about the way the school works, so I would be grateful for

any help or advice offered - even if it is only to find my way round the corridors!'

Thinking Day - Wednesday 22 February

On 22 February each year, children belonging to Guiding or Scouting groups around the world celebrate World Thinking Day. As this is a school day, children who belong to these groups will be able to wear their guiding or scouting uniform to school.

Plea from the Early Years

With half-term fast approaching, now is the opportunity to do a spot of spring cleaning and decluttering! The Early Years team would be delighted for donations of any of the following: dinosaurs, jungle animals, farm animals, zoo animals, sea creatures, polar animals, plastic insects, small dolls, dolls house figures, character dolls, superhero figures, My Little Pony toys/Sylvanian Family figures, Littlest Pet Shop characters etc.

Thank you in anticipation from Miss Brown and her team.

Parking

I have been receiving complaints again about parents parking inconsiderately and illegally. All parents are in the same predicament when it comes to bringing their children to school, yet it appears that there continues to be a few parents who persistently park/ pull up on the double yellow or zig-zag lines, in front of our emergency gates and across our neighbours' drives in Rotherfield and Talbot Road. What really saddens me is that when asked to move or having it pointed out that they are parking illegally; parents have behaved in an abusive or threatening manner. If you are one of these parents, I would be grateful if could you show a little more consideration towards others. Thank you for your co-operation in this matter.

Uniform

When I visit other schools, it always strikes me how smart our children look in their winter uniform. Thank you for supporting us by ensuring that your child has the correct uniform. Children should also be wearing dark blue hats, gloves and scarves. Please ensure that all uniform is clearly named so that it can be returned to its owner promptly.

All long hair (girls and boys) that is long enough to be tied back should be each day for school. This applies throughout the school from Nursery to Year 6. It also helps to keep unwelcome visitors at bay. In a few classes these unwelcome visitors are rather persistent!

We also try to encourage the children to take responsibility for looking after their uniform which includes remembering to take it inside from the playground or to take it home after an after-school activity. Please support us in reminding your children to be responsible, we know that many items of uniform are not cheap, yet we seem to have quite a collection in Lost Property!

Parent Consultations - Tuesday 21 and Thursday 23 March

Information regarding our parent consultations will come out after half-term. All appointments will be booked online again this year as in the autumn term. Before these evenings, a data collection sheet will be given out which we ask you to complete and place in the box in the hall when you attend Parents' Evening. Please ensure all your information is up to date, especially mobile numbers and email addresses as important information is sent out via these means.

Thank you for taking time to read our newsletter. We endeavour to keep you well informed. Do come in to discuss any matter that concerns you or your child rather than place it on Facebook and we will do our very best to help. I wish you all a very happy and restful half-term.

With best wishes to you all,

Mrs Emma Hart Dyke - Headteacher
